# IMPACT Graduate Program in Corporate Investment Banking – Markets

### Program Description:

Impact Graduate Program is a **18-month** development journey that will give you a unique insight into UniCredit. Thanks to a **rotational path**, you will get to know **various business lines** and areas of the bank, acquiring skills and competencies, and creating your own network.

### Area Description:

UniCredit **Corporate & Investment Banking** (CIB) offers local expertise as well as international reach and accompanies corporate clients globally, providing them unparalleled access to 16 home markets and another 18 countries worldwide. With more than 3,500 professionals, CIB offers Corporate Banking and Transaction Services, Structured Finance, Capital Markets and Investment Products.

The **Markets** product line encompasses the full range of financial and investment products and services for CIB, Commercial Banking, as well as third-party retail clients. It includes risk management solutions and advisory services, investment products and award-winning research.
Markets successfully meets the changing needs of institutional and corporate clients through loan origination, structuring, distribution and trading. It also serves as a market maker for financial products.

### What we expect from you:

- Preferably a master's degree in economics, quantitative finance, mathematics or other Markets business relevant study field and excellent academic records
- Interest for capital markets and work/internship experience in that area and/or investment banking, fund management, macroeconomic analysis, quantitative analysis, investment consultancy or client advisory area
- International experience
- Fluency in English
- Internationally Mobile
- Full-time availability starting from May 2017

### What we offer you:

- 18 months on- and off-the-job learning
- Job Rotations (at least one abroad)
- International experience
- Individual Learning and Development path
- Networking activities and events
- Permanent contract from the beginning

**Entry Date:** May 2017
**Location:** within the UniCredit Group
**Contact:** impact@unicredit.eu
**Application:** www.unicreditgroup.eu/impact (from 18/01 to 8/02)

Life is full of ups and downs.
We're there for both.

Welcome to UniCredit
