

## ENTER THE WORLD OF GERMAN INDEX ENGINEERING

Solactive AG is a FinTech company operating globally and growing at a fast pace, headquartered in Frankfurt. Since 2007, we develop tailor-made and multi-asset class index solutions for ETFs and other index-linked investment products for the leading global investment banks and asset managers as our clients. Speed, flexibility and highest quality are at the core of our services.

## INDEX ANALYST (M/F) FIXED INCOME PRODUCT DEVELOPMENT

Are you interested in financial markets? You follow the latest trends and developments in the area of indexing and exchange-traded funds (ETFs). When facing business challenges, you understand to act solution-oriented. Last but not least, you are eager to translate investment ideas into new products and services? If that sounds familiar, you will very likely fit into our team!

### YOUR TASKS

Finding ideas for innovative index products and developing their guidelines • Assessing historical performance (back-testing) of new investment strategies • Back-testing data preparation and its quality assurance • Being the key contact to our international customer base • Live-set up of indices and coordinating their publication with data vendors • Creating processes with collaboration of the operations, sales and marketing teams ensuring a successful index launch

### YOUR PROFILE

Academic degree in Economics or adequate, focus on mathematics or computer science is advantageous • Affinity for capital markets • Several years of relevant work experience, preferably in the fixed income business • Knowledge of index calculation models and further financial instruments (ETFs, derivatives and structured products) • Proven programming skills (VBA and Python) are a plus • Highly motivated to work independently, complete tasks timely and accurately • Focused on top-quality service • Self-confidence and team-spirit • Intercultural competence and excellent communication skills

### OUR OFFER

Be part of the Solactive family, a motivated team with an international setting • Get to know the dynamics of an established, successful FinTech company • Experience a modern start-up culture with a flat hierarchy • Seize the opportunity to develop personally, take over responsibility and maintain direct customer contact from day one • Receive numerous benefits (fitness studio, awesome staff parties, dart-contests in our social room, soccer evenings on the big screen, after-work chill-out with barbecue among others)

### YOUR APPLICATION

Interested? Don't miss your chance and send your application including your CV, relevant references, salary expectations and earliest possible starting date to [jobs@solactive.com](mailto:jobs@solactive.com). Your contact person is Eva Engelhardt (+49 69 719 160-242). We are looking forward to hearing from you!
