

## ENTER THE WORLD OF GERMAN INDEX ENGINEERING

Solactive AG is a FinTech company operating globally and growing at a fast pace, headquartered in Frankfurt. Since 2007, we develop tailor-made and multi-asset class index solutions for ETFs and other index-linked investment products for the leading global investment banks and asset managers as our clients. Speed, flexibility and highest quality are at the core of our services.

### BOND ANALYST (M/F) FIXED INCOME OPERATIONS

The Fixed Income Operations team is in charge of ensuring the correctness of the daily calculation of our bond indices through a constant analysis of market data. The team is responsible for rule-based index selections and adjustments, handling of index-specific customer queries and for the continuous improvement in internal processes by maintaining regular communication with our clients and data suppliers.

#### YOUR TASKS

Verifying and monitoring of index calculation on a daily basis • Analysis of corporate actions and their effects on index calculation • Optimization of existing processes • Development of new tools for index calculation and monitoring • Rule-based adjustment of indices • Dealing with index-specific customer inquiries

#### YOUR PROFILE

Academic degree in Economics or a related field, focus on mathematics or computer science is advantageous • Several years of relevant work experience, preferably in the fixed income business • Ability to work independently and precisely to solve complex tasks • Affinity for capital markets • Programming skills (in particular VBA and/or Python) • Experienced with data vendor terminals (FactSet and/or Reuters) is a plus • High motivation and self-confidence • Excellent communication skills are essential

#### OUR OFFER

Be part of the Solactive family, a motivated team with an international setting • Get to know the dynamics of an established, successful FinTech company • Experience a modern start-up culture with a flat hierarchy • Seize the opportunity to develop personally, take over responsibility and maintain direct customer contact from day one • Receive numerous benefits (fitness studio, awesome staff parties, dart-contests in our social room, soccer evenings on the big screen, after-work chill-out with barbecue among others)

#### YOUR APPLICATION

Interested? Don't miss your chance and send your application including your CV, relevant references, salary expectations and earliest possible starting date to [jobs@solactive.com](mailto:jobs@solactive.com). Your contact person is Eva Engelhardt (+49 69 719 160-242). We are looking forward to hearing from you!
