

ENTER THE WORLD OF GERMAN INDEX ENGINEERING

Solactive AG is a FinTech company operating globally and growing at a fast pace, headquartered in Frankfurt. Since 2007, we develop tailor-made and multi-asset class index solutions for ETFs and other index-linked investment products for the leading global investment banks and asset managers as our clients. Speed, flexibility and highest quality are at the core of our services.

WORKING STUDENT (M/F) FIXED INCOME OPERATIONS

The Fixed Income Operations team is in charge of ensuring the correctness of the daily calculation of our bond indices through a constant analysis of market data. The team is responsible for rule-based index selections and adjustments, handling of index-specific customer queries and for the continuous improvement of internal processes by maintaining regular communication with our clients and data suppliers.

YOUR TASKS

Taking part in the daily business of the Fixed Income Operations Team • Administration of bond data • Validation and revision of existing data • Creation of new data

YOUR PROFILE

Enrolled student in the field of economics or a related field • Basic knowledge of capital markets • Experience with data vendor terminals (FactSet, Reuters or Bloomberg) is advantageous • Innovative mindset and hands-on approach • Paying attention to detail • Highly structured and motivated • Self-confidence and team-spirit • Intercultural competence and good communication skills

OUR OFFER

Be part of the Solactive family, a motivated team with an international setting • Get to know the dynamics of an established, successful FinTech company • Experience a modern start-up culture with a flat hierarchy • Seize the opportunity to develop personally, take over responsibility and maintain direct customer contact from day one • Receive numerous benefits (fitness studio, awesome staff parties, dart-contests in our social room, soccer evenings on the big screen, after-work chill-out with barbecue among others)
